

## Public Programs

### Application for Part Scholarship

As an Australian not for profit, we believe that money should never limit your chance to be your best. That's why we created The Australian Outward Bound Development Fund, to help support young people to achieve their life goals and experience their very own Outward Bound adventure. We ask successful applicants to submit a post-adventure thank you letter / story from their adventure so that we can share with our generous funders.

- ☐ Summit to Sea
- ☐ Scenic Rim to River
- ☐ Discover

## Tell us a bit more about yourself

Why would you like to participate in an Outward Bound Australia program?

What do you consider to be your greatest strengths?

**Taking into account your personal motivation, circumstances and needs, the Fund could help you to cover up to 50% of your course fee.**

What contribution can you or your family contribute through savings or fundraising activities? What mechanisms do you have in place to pay for the remaining course fee?

\$ \_\_\_\_\_

### Terms and Conditions

- All applications are subject to Outward Bound's standard terms and conditions, including payment of 10% deposit, medical screening and fulfilling our enrolment criteria.
- Scholarship amounts range from 10-50% off of your course. Scholarship amount awarded is the decision of Outward Bound based on funds and spaces available.
- Scholarships are only available for specified courses above and program dates will be confirmed upon successful applications.
- This offer does not cover travel to and from program, travel insurance or any other costs apart from the course fee.
- This offer is only available to individuals who have demonstrated that they could not afford the full cost of a program.

In making this application I confirm that I would like to participate in an Outward Bound Australia Program. To the best of my knowledge, the information I have provided in this application is correct.
